a haunting meditation on trust hope and love by a woman who adopts and trains a golden retriever puppy to become a search and rescue dog people in the wake of the oklahoma city bombing susannah charleson's attention was caught by a newspaper photograph of a canine handler his exhausted face buried in the fur of his search and rescue dog susannah a dog lover and pilot with search experience herself was so moved by the image that she decided to volunteer with a local canine team plunging herself into an astonishing new world while the team worked long hours for nonexistent pay and often heart wrenching results charleson discovered the joy of working in partnership with a canine friend and the satisfaction of using their combined skills to help her fellow human beings once she qualified to train a dog of her own charleson adopted puzzle a smart spirited golden retriever puppy who exhibited unique aptitudes as a working dog but was a bit less interested in the role of compliant house pet scent of the missing is the story of charleson's adventures with puzzle as they search for a lost teen an alzheimer's patient wandering in the cold and signs of the crew amid the debris of the space shuttle columbia disaster all while unraveling the mystery of the bond between humans and dogs a riveting view of both the human animal bond and the training of search and rescue dogs all dog lovers and people interested in training service dogs should read this book temple grandin author of animals make us human

fun and engaging school library connection a fast fascinating read that captures the strong bond between dog and owner school library journal in this young readers edition of the new york times bestseller cat warren and her canine companion solo teach readers that the nose knows no bounds when it comes to working together being persistent and helping others solo has a fine nose and knows how to use it but he's only one of many thousands of scent detection dogs all over the united states that's a group that includes cadaver dogs tracking trailing and apprehension dogs dogs that can locate unmarked graves of civil war soldiers and even dogs that can find drowning victims more than two hundred feet below the surface of a lake all these dogs love to use their noses they think their job is simply the best most interesting game they've ever played what good working dogs can do may seem magical or mysterious but what the dog knows shows the science the rigorous training and the skilled handling that underlie these amazing abilities

published in hardcover as what the dog knows the science and wonder of working dogs by simon schuster new york c2013

this book gives us a detailed account of how dogs work and how we might properly train and harness their abilities to serve our needs

the complete dog book official publication of the american kennel club this is the best selling dog book of all time well on the way to its second million america's official book on the pure bred dog published by the american kennel club since 1929 the complete dog book is dedicated to acquainting the public with the appearance and qualifications of each breed and guiding owners in keeping their dogs healthy happy and well behaved now in this completely updated and expanded 17th edition it reaches new highs of excellence and usefulness the entire book has been reset to improve readability and to make for easier reference all breed histories and standards have been updated the akc's newest breeds have been included the sections on care and training have been completely revised and 30 new pictures 20 in color have been added

this comprehensive book takes you the handler from the basics through challenging advanced exercises color photographs and helpful diagrams plus step by step instructions walk you through the basics coach you on improving your skills and help you to work through errors and challenges fred's years of professional experiences provide a wealth of insights and help you understand that professional scent problems are much the same as yours

what is it what is the reason that allows us to train dogs to find whatever it is we seem to be seeking dogs are an amazing animal with a nose to prove it there are also the advantages of being able to use this domesticated and loving animal to perform tasks for us just because they love the attention food or the toy at the end of the task there really is no greater joy than to watch your dog do what you have trained it to do and do it well but how does this work what is scent theory do we really know how and why our dogs do what they do the word theory means an idea an opinion in some cases there is real science behind the structure and abilities of a dog's olfactory but a theory about what they do with that scent is just that a theory i have been a search and rescue k9 tracking and trailing handler for over 10 years and have been shown and made a believer out of a scent theory that works and works well not just on some dogs but all dogs i have worked with in this book i will present what i was taught what i have found to be realistic and workable and what can help you train your dog to become a master tracker trailer air scent drug or cadaver dog the information in this book is also derived from experiences of not only myself but many handlers i have worked with over the years some in search and rescue and some from law enforcement

a dog's favorite words are paired with photos of the objects and scratch and sniff smells

learn tracking and scent work from one of the foremost trainers in america techniques essential for any trainer a great how to book
